

Non Dual-Use Declaration

According to EU Council Regulation (EC) No 2021/821 of 20th May 2021.

This document is to declare, that products manufactured by Amphenol Procom's two manufacturing sites:

Amphenol Procom A/S
Smedetoften 12
3600 Frederikssund
Denmark

Jaybeam Ltd.
Rutherford Drive, Park Farm South
Wellingborough, Northamptonshire
NN8 6AX
United Kingdom

Are in compliance with the regulation above.

Europe

Amphenol Procom products does not fall within the control list of Dual-Use goods referred to in the EU Council Regulation (EC) No 2021/821 of 20th May 2021 setting up a Union regime for the control of exports, brokering, technical assistance, transit and transfer of dual-use items.

US

Amphenol Procom products are EAR99 classified, and thus do not require an ECCN (Export Control Classification No.).

Amphenol Procom products do not fall under ITAR (International Traffic in Arms Regulations) restrictions, or under the Wassenaar Arrangement on export controls for conventional arms and dual-use goods and technologies.

We therefore confirm that no export license or export permission are required. Note that it is beyond Amphenol Procom's responsibility to control the final use of Amphenol Procom's products, and it is the responsibility of the end customer to meet any export control compliance for the end-application.

Frederikssund 7th April 2022
