

REACH Certificate of Compliance General Compliance Statement

According to EU REACH Regulation (EC) No. 1907/2006.

This document is to declare, that products manufactured by Amphenol Procom's two legal entities:

Amphenol Procom A/S
Smedetoften 12
3600 Frederikssund
Denmark

Jaybeam Ltd.
Rutherford Drive, Park Farm South
Wellingborough, Northamptonshire
NN8 6AX
United Kingdom

are in compliance with the regulation above.

We declare under our sole responsibility, and that to the best of our knowledge to which this declaration relates, that our products are in conformity with the applicable requirements of the following EU Council Directives:

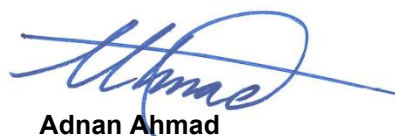

- **REACH:** Product compliance European Union Regulation (EC) No. 1907/2006 concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH)
 1. Under the structure of the REACH regulation, Amphenol Procom is a manufacturer of "ARTICLES". We do not manufacture "substances" or "preparations" and our articles do not involve the 'intentional release of substances'. Accordingly, we foresee no registration or pre-registration or Authorization requirement for the products we supply.
 2. With regards to the requirements of Article 33 of REACH and our duty to communicate information on substances in Articles. We declare that in case of any substances present on the Candidate list (SVHC list of Substances of Very High Concern for authorization, as updated by ECHA: on February 4, 2026 - containing 253 substances) in Amphenol Procom's products including packaging, in concentrations above 0.1% (w/w), it will be stated in the section below.
 3. With regards to the requirement of Article 67 of REACH: A substance on its own, in a preparation or in an article, for which Annex XVII, contains a restriction shall not be manufactured, placed on market, or used unless it complies with the conditions of that restriction. We declare that none of the substances in the conditions of restriction is present in Amphenol Procom's products, unless otherwise stated in the sections below.

The products manufactured by Amphenol Procom have been evaluated for the presence of the 253 SVHCs in the REACH Candidate List, as updated by ECHA on February 4, 2026. Products and / or articles contained within the products contain the following SVHCs, in concentrations above 0.1 % (w/w).
Some Amphenol Procom products containing connectors or brass parts, has a concentration above 0.1% (w/w) of lead, CAS # 7439-92-1.

Specific product REACH Certificates of Compliance are available on request.

We further confirm that information has been thoroughly collected from our suppliers for the individual component parts that make up our products; and that to the best of our knowledge, all information provided therein is accurate.
